

School Performance Plan At-a-Glance

Executive Summary

SY24-25

Introduction

In alignment with the goals and priorities of Prince George's County Public Schools (PGCPS), the School Performance Plan (SPP) allows for a transparent and collaborative school improvement process with a focus on student achievement.

The School Performance Plan was developed this school year as the continuation of the detailed work and planning completed in the previous school year. The SPP focuses schools on engaging in disciplined inquiry cycles through the use of Plan, Do, Study, Act. Through the successful utilization of Plan, Do, Study, Act, schools are able to plan, assess, and study school improvement actions to impact student achievement and teacher practice.

Vision	<p>The vision of CMIT is to provide multiple opportunities for Prince George's County youth to prepare for post secondary education in a variety of fields of study in order to pursue professional careers. CMIT will enable all students to achieve their maximum potential by equipping and empowering them with analytical thinking and quantitative reasoning skills.</p> <p>With this vision in mind, CMIT Academy will prepare students to become competent, responsible and successful individuals in our globalized and technology-based society through a strong academic program, a school-family-community partnership, and a strong teacher-student relationship. CMIT Academy will inspire and challenge sixth through twelfth grade students in a</p>		

School Performance Plan At-a-Glance
Executive Summary
SY24-25

	creative and supportive learning environment with an academic program focusing on mathematics and information technologies to educate its students as responsible citizens.
Mission	In partnership with students, parents and the community, CMIT will attain educational excellence by providing a rigorous and technology-integrated education for middle and high school students with an emphasis on mathematics, science, and information technologies.

School Performance Plan At-a-Glance
Executive Summary
SY24-25

SMART Goals (A targeted aspiration that serves as the focal point for collective improvement efforts.) Specific; M easurable; A chievable; R ealistic; T imebound	Change Idea (strategy) (A specific, actionable idea or technique that school teams will use to address the SMART Goal.)
1-Math In an effort to elevate MCAP Algebra 1 scores, we're implementing a strategic curriculum shift for SY25. By prioritizing foundational skills in Geometry, we're equipping students for success in Algebra 1 the following year (SY26). For SY25, 10% of first-time Geometry test takers will be proficient on the MCAP Geometry exam.	We have implemented a flip classroom to help teacher provide more in depth support during class time.
2-Wholeness For school year 2024 -2025, each collaboration team will complete 2 Plan-Do-Study-Act (PDSA) cycle.	We will provide professional development on PDSA cycles and closely monitor collaboration meetings.
3-	
Additional Targeted Support and Improvement (ATSI) Intervention (If applicable)
