# Beltville Academy Community School

## What did we learn?

### Student Feedback

- Would like more field trips
- Help with emotional problems and academics
- More clubs and enrichment opportunities

### Family Feedback

- After school opportunities
- Language assistance, help with food insecurity and immigration services
- Parent workshops and classes

### Staff Feedback

- Would like more academic support and tutoring service for students
- Would like to increase family engagement to support students
- Would like more help for students with food insecurity, vision and emotional problems

### Community Feedback

- More funding/grants to support with tutoring and after school programs
- Increase family engagement

PRINCE GEORGE'S COUNTY PUBLIC SCHOOLS

## Priorities and Opportunities

Rigorous,  
Community-Connected  
Classroom Instruction and  
Expanded, Enriched  
Learning Opportunities

Our school offers field trips opportunities, after school clubs and sports.

Our school will work on offering more academic support, tutoring and enrichment programs for the next school year.

Collaborative Leadership,  
Shared Power, and Voice

We have a PTO, Community Schools Steering Committee, Monthly Parents Workshops. Parents communicate with school staff frequently via phone and ClassDojo.

Our next steps:

- Outreach to increase participation of families in PTO, CSSC and Parent information sessions
- Create opportunities for students to be part of decision making

Integrated Systems  
of Support

We currently support with physical and mental health through Project Wellness, School nurses, therapist and Hazel Health.

We will be working to increase opportunities for health, mental health, vision and dental services.

Culture of Belonging,  
Safety, and Care

Our families and students feel welcomed and included.

We will work on improving school communication through robo calls, ClassDojo, emails and work on letting students know how to access support and ask for help if needed.

Powerful Student and  
Family Engagement

Families attend events, coffee chats, and after school events

We will continue offering family engagement events to connect with our families. As well offer more opportunities for parents to learn from professionals about homework help, reading and math strategies to use at home.
