SUMMARY

An audit of the school activity funds (SAF) of Imagine Andrews Public Charter School was completed for the period July 1, 2023, to June 30, 2024. The audit was conducted as part of the annual audit plan.

OBJECTIVES

The objectives of the audit were to determine the effectiveness of the system of internal controls and whether the school was in compliance with the policies and procedures of the Accounting Procedures Manual for School Activity Funds (APM) and the Board of Education (BOE). It is important to recognize that, while the audit report focused on deficiencies, it was intended to be constructive. The audit was not designed and conducted to evaluate the effectiveness of the educational programs in the school. Therefore, the absence of comments related to the educational programs should not be construed to imply that these programs are either adequate or deficient.

SCOPE

The audit was based on our examination of selected bank statements, financial reports, cancelled checks, all voided checks and Monetary Transmittal Form (MTF) envelopes submitted for the period July 1, 2023, to June 30, 2024. Also, available receipts, disbursements and supporting documentation were reviewed for the said period.

This is an audit of funds related to students' activities at the school and does not include SOR funds or any funds not derived from students' activities for the audit period.

FINDINGS AND RECOMMENDATIONS

The audit did not result in any significant findings to be reported.
