

Dear Families,

Welcome to the 2025–2026 school year! I am honored to return as the Assistant Principal supporting Grades 3 through 5. As I enter my second year in this role, I am filled with gratitude and excitement to continue serving our school community alongside dedicated educators, incredible students, and supportive families like yours.

Last year, I had the privilege of building relationships with many of you, and I look forward to deepening those connections and welcoming new families to our school. My goal remains the same—to ensure every child feels safe, valued, and challenged as they grow both academically and socially.

As Assistant Principal, I will continue to focus on:

- Supporting high-quality instruction tailored to the needs of all learners
- Promoting a positive and inclusive school culture
- Strengthening communication between home and school
- Ensuring student safety and well-being in every part of the school day

I encourage you to stay connected with your child's learning and with our school events. Your partnership is critical to student success, and I welcome your input, questions, and collaboration throughout the year.

Please don't hesitate to reach out to me by phone, email, or during school events. Together, we can make this a year of growth, learning, and joyful success for every student.

Wishing you and your family a wonderful start to the school year!

Warm regards,  
Joy Bradley  
Assistant Principal, Grades 3–5  
Colin Powell Academy
