Welcome Back, Colin Powell Academy Family!

It is with great excitement and enthusiasm that I welcome you to the 2025-2026 school year at **Colin Powell Academy**! As we prepare for an amazing year ahead, we are proud to center our journey around the theme: **"Defining Our Destination."**

This year, our teachers will serve as **captains**, guiding each student through the skies of knowledge with passion, purpose, and powerful instruction. Our students are not just passengers—they are **co-pilots**, taking ownership of their learning, navigating challenges, and understanding their progress through data-driven focus groups and intentional reflection. Together, we are charting a course toward academic excellence, personal growth, and meaningful achievement.

We're also excited to take learning beyond the classroom walls! With **field trips that explore the rich culture and history of the DMV**, and **assemblies that celebrate the vibrant diversity of our nation**, we will expand our horizons and deepen our understanding of the world around us.

This year, Colin Powell Academy continues to shine as a **STEAM-focused school**, with dynamic programs in **dance, music, media, and STEM**. From coding to choreography, our students will have the opportunity to create, innovate, and express themselves in bold, meaningful ways.

Let's make this school year unforgettable! Together—staff, students, and families—we'll soar to new heights, define our destination, and embrace every opportunity for learning and growth.

Come along with us—Colin Powell Academy is cleared for takeoff! ✈️

With joy and anticipation,

Nina Lattimore

Principal
