About Me

Welcome to 6th Grade!

I'm excited to be your counselor and I look forward to meeting each and every one of you! I will be supporting your academic, social/emotional, and career goals.

This is my 4th year as a counselor, but I have 24 years of experience as a business and computer science teacher. I received a Bachelor of Science degree from Saint Augustine's University and a Master's degree in school counseling from Liberty University.

I'm counting on all of you to spread kindness on a daily basis and I'm confident that you are up to the challenge.
